SCHEDULING ORDER

On May 5, 2009, counsel for the parties conferred by telephone with the Lay Assessors in the above-captioned matter and agreed that the Respondent's Motion For Modification Of The Certified Record On Appeal, dated April 17, 2009, and the Complainant's response thereto proposing the addition of other materials, would be held in abeyance until the Court completed its adjudication of the Complainant's Motion To Seal and the Respondent's Motion For Extraordinary Relief. Those matters have now been adjudicated. Accordingly, the Court enters the following scheduling order with respect to additions to the Certified Record:

Parties shall simultaneously submit designations of proposed additions to the Certified Record dated March 20, 2009	September 30, 2009
Parties may simultaneously submit counter designations of proposed additions to the Certified Record dated March 20, 2009, or objections to any designation by the other party	October 5, 2009
